Miss Batto Leads Queen Contest

The queen contest is getting to be quite lively as all the queen aspirants are sending in quite a lot of votes and holding quite a bunch in reserve for the last day which is next Tuesday, April 24. At present the vote is as follows: Miss Batto, 7785; Mrs. Peterson, 4376; Miss O'Donnell, 4000; Miss A. Nardi, 3500.

All tickets for the queen contest must be in by 2:30 p. m., Tuesday, April 24th. The last public announcement of the standing of the contestants will be made at 3:00 p. m., and from then on until midnight, it will be secret voting. When the contest closes, all the Queen aspirants, their friends and the public are invited to be present. The place of the closing of the contest will be the fire house at Boyes Springs.

The auto contest is also coming along nicely. Up-to-date there are six contestants—P. McDonald, E. Blomgren, Jimmy Acquistapace, Mrs. Parramore and Marshal James Albertson. "The noblest Roman of them all, and several others. The nominations for this contest close Saturday (tonight) April 21st at 8:00 p. m., so if you want to enter you will have to hurry. Voting for the auto closes at midnight, May 1st. Last public announcement of standing of candidates will be made on Saturday, April 28th at 3:00 p. m. From then on, until closing time the voting will be secret. Patrick McDonald, foreman of the Spreckels ranch is leading by a large majority with Jimmy Acquistapace second. Eric Blomgren also in the money. The rest are close up.

Remember, much depends upon the success or failure of this carnival as the payment on the "Valley Angel" is over due and must be paid, and it is the duty of all citizens of the valley to put their shoulder to the wheel and help put this carnival over the top by supporting the Queen and auto contestants, theatre, concessions and by donations which many have failed to make the last few years. Fire engines and material cost money, but they are necessary and sure a great relief when called upon. Support your fire department.

The parade will take place next Saturday, April 28th, leaving the springs about noon. There will be a good band of music and all are invited to join the parade with their machines and make the parade fitting of the occasion. The parade will pass through Caliente, Sonoma, El Verano and Sonoma Vista.

The great picture, "The Third Alarm," will be shown at Boyes Springs Theatre on Monday night, April 30th. Come early and avoid the rush as the theatre will surely be filled to capacity.

"There's not to reason why, there's but to do and die."

MISS ALBINA NARDI
Popular Girl in Queen Contest

CONGRESSMAN LEA AT SCHELLVILLE RANCH

Is Accompanied by His Family and Secretary, Miss Martin, of Washington, D. C.

Congressman C. F. Lea and wife, who returned from the national capital some time ago, to spend the summer among friends and relatives in Sonoma county, arrived at their Schellville ranch last Sunday accompanied by Miss Mildred Martin of Washington, D. C., who is the Congressman's private secretary. This is Miss Martin's first visit to California.

Congressman Lea is deeply interested in President Harding's world court plans and believes the issue will be sharply defined in the national party platform at the next presidential election. Asked whether or not the modification of the Volstead Act would be interjected into the platform by Republicans or Democrats, Mr. Lea stated that if President Harding stressed stricter enforcement of the present prohibition laws as his policy that most likely the Democrats would come out in favor of modification of the dry law in order that the law might be more enforceable and respected.

Miss Mildred Martin, private secretary of Congressman Lea, for the past eight years, is one of the most able women in that capacity at the national capital. She has official matters at her finger tips and is highly regarded, both for her efficiency and her pleasant accommodating attitude toward those having business with the California Congressman.

Mr. and Mrs. Lea have made Miss Martin's stay here exceedingly pleasant and have taken her to many points of interest in this vicinity. She will leave for her home in the East next week.

Congressman and Mrs. Lea will remain on the Coast until the convening of Congress and will be at their Schellville ranch frequently during the spring and summer.

The many friends of Frank Muller were pleased to see him up town on Saturday. Mr. Muller has been convalescing at the ranch of his good friend, B. Schrempf.

EVERYTHING POSSIBLE BEING DONE TO SPEED UP WORK ON ROAD

Sonoma County Supervisors Make Second Purchase in Preparation for Coming of State Highway.

A resolution was adopted by the Board of Supervisors Wednesday to buy the 46 rights of way for the Santa Rosa and Sonoma Valley highway for \$34,729. This is the second lot of highway deeds to be purchased by the county since the routing of the proposed highway by the state commission. The first lot of deeds was purchased some months ago and this lot was held over until the first lot was disposed of. The resolution of the board now clears the way to a clear sweep of highway through the Sonoma Valley.

All right of way deeds on the Santa Rosa-Schellville state highway have now been secured and the 46 pieces of property purchased by the supervisors along the route of the new road include strips of a few feet up to several acres. In instances where property was actually damaged by being cut in two, where houses or other buildings had to be removed or orchards destroyed to make ready for the building of the new highway, appraisers determined the valuation of the property affected. In addition to the rights of way, the county must build all bridges between Schellville and Santa Rosa over which the state will route the highway. These bridges have been decided upon, specifications drawn and bids on them are now being advertised.

The Board of Supervisors appear to be doing everything possible to expedite the completion of the plans of the State Highway Commission for the Schellville-Santa Rosa road.

(Continued on Page Eight)

DELINQUENT IS SENT BACK TO INSTITUTION

Helen Von Fails to Gain Freedom From Napa State Hospital on Writ of Habeas Corpus.

The efforts of Helen Von, the woman transferred to the Napa State Hospital after the State Home for Delinquent Women at Sonoma burned, failed in her efforts to obtain freedom on a writ of habeas corpus before Judge King in the superior court on Monday afternoon.

Her plea was based upon the claim that she had been committed to the institution at Sonoma and therefore she could not be held legally here in Napa.

Judge King, after hearing all the arguments, denied the writ.

The woman was remanded to the care of the officials of the Sonoma institution and was taken back to Sonoma on Monday evening.

Attorneys Spagnoli and Silvers of San Francisco appeared for Helen, whose writ was resisted by District Attorney Anglim and Earl D. White of San Francisco.—Napa Register.

PEDRONCELLI CASE WILL GO TO THE SUPERIOR COURT

Still Introduced as Evidence in Justice Court Wednesday Against Kenwood Man.

The preliminary examination of F. Pedroncelli, prominent Kenwood resident, charged with manufacture of liquor in violation of the Wright Act was held before Judge Small Wednesday of this week. Pedroncelli plead not guilty.

After hearing the testimony of Deputy Sheriff Joe Ryan who raided Pedroncelli's place two weeks ago, Judge Small held the defendant to answer before the Superior Court. Ryan's testimony was to the effect that he had found a still on Pedroncelli's place and also some liquor, said to be jackass brandy in a trunk which he searched. The still was seized and was introduced as evidence together with the liquor.

Pedroncelli was represented by an attorney. He declared the still was given him and was parked on his place but had not been used to manufacture any liquor.

At the conclusion of the hearing, Judge Small held Pedroncelli to appear at Santa Rosa, but he is at liberty on his own recognizance.

MANAGER OF MOUNTAIN PLAY ON COMMITTEE

Mrs. D. E. F. Easton of Tamalpais Fame Presages Great Success for Mission Production.

Mrs. D. E. F. Easton, secretary-manager of the Mountain Play of Tamalpais, is an honorary member of the Pageant Committee of the Sonoma Mission Centennial. Mrs. Easton has aided Garnett Holme, director of the Mountain Play, for several seasons and is an ardent lover and enthusiast of outdoor pageantry. She has promised to co-operate with Mr. Holme and the local committee on the Sonoma Mission Play. Mrs. Easton's letter presaging great success for our celebration, follows:

San Francisco, April 15
Mr. Jack N. Reid,
General Director.

Dear Sir:
May I express through you to Mr. Prestwood, General Chairman, my pleasure in being named as an honorary member of the Pageant Committee for this Centennial celebration? I am appreciative and thank your committee for the attention.

I am confident with your committee that this will prove to be one of the most successful celebrations California has known. I congratulate the City of Sonoma and this fine committee and am confident that a great success awaits your city. There is always one thing to bear in mind, that in order for the greatest good there must be not only co-operation but a co-ordination, a spirit of one for all and all for one.

Very truly yours,
MRS. D. E. F. EASTON,
Secretary-Manager of the Mountain Play.

Business Men and Citizens Endorse Project Being Launched Here

The erection of a modern and well equipped hospital on the site of the present Crane Sanitarium in Sonoma Valley is the plan embodied in a preliminary prospectus of a project being launched here by Albert W. Wastell, hospital organizer, working in conjunction with the League for the Conservation of Public Health. For some time past the need of an up-to-date hospital has been felt, not only by the community, but by Mr. and Mrs. Crane, who conduct the Sanitarium in the foothills north-west of town. The Sanitarium accommodations were continually overtaxed and many inquiries came from people who wanted to come to Sonoma Valley to recover their health, but were barred on account of lack of proper facilities and sufficient accommodations. Lack of sufficient capital kept the Crane Sanitarium from expanding to meet the growing need of a hospital here, and recently the services of Mr. Wastell were sought by the Cranes to formulate a plan to give to Sonoma Valley the required facilities. Mr. Wastell has recently carried to a successful conclusion a campaign for a hospital in the Santa Clara Valley and also at Santa Ana. He made a survey of Sonoma Valley, including the site of the present plant of the Cranes, and decided to promote the project, recommending the utilization of the present sanitarium property, including the residence for administrative purposes and the erection of a new fire proof hospital with a capacity of twenty beds.

Mr. Wastell appeared before the Business Mens Association Monday evening and succeeded in enlisting much interest including the naming of a committee on ways and means to build the new hospital for Sonoma Valley.

The following endorsement of the project has been in circulation the past week and has been widely signed:

We, the undersigned public spirited citizens of the Sonoma Valley, hereby declare that there is a great and immediate need for increased and improved hospital facilities in Sonoma and vicinity as a community necessity and that we earnestly advocate that a new modern structure be constructed on the splendid foothill site of the existing Crane's Sanitarium, situated between Sonoma and Boyes Springs, the utilization of which with existing improvements and its prestige as a going concern is made possible through the co-operation of Mr. and Mrs. Crane. They agree to take its value in stock in the new project as announced at the meeting of the Sonoma Business Men's Association Monday evening, April 16, 1923, when the hospital situation with constructive suggestions was made the special order of business. The proposition was indorsed as a community enterprise with the expectation that adjoining cities of Glen Ellen, Kenwood, Boyes Springs, Schellville, Vineburg, Buena Vista and El Verano would participate under the proposed name, The Sonoma Valley Hospital.

We agree to personally do all that is in our power to encourage and

support this project and recommend that in order to provide the best and most modern facilities at a minimum cost to sick people that the articles of incorporation and by laws shall provide that dividends to stockholders shall be limited to an average of 7 per cent per annum and that community benefit shall be the foremost consideration of the business men and women on the board of directors and of the physicians and surgeons of the hospital staff.

SUDDEN DEATH OF MRS. C. MILLERICK

Mother of Well Known Family Is Stricken Early Thursday at Home in Schellville.

Mrs. Catherine Millerick, widow of the late M. Millerick, and mother of the well known Millerick brothers, rodeo stars, died very suddenly at her home in Schellville on Thursday morning. She had been in the best of health the night previous, but at 7 o'clock Thursday when Mrs. Tom Millerick arose to feed her baby, she found her mother-in-law breathing heavily and in a critical condition. Dr. George Millerick, her son, was called and he immediately phoned for Dr. Thomson and Rev. J. F. Byrne. Shortly after their arrival the good woman passed away, evidently from heart trouble.

Tom and Jack Millerick, who were away from home, were at once telegraphed for and also a daughter, Mrs. Helen Jensen of Berkeley.

Mrs. Millerick was a native of County Tipperary, Ireland, and was aged 64 years. She is survived by two sisters, Mrs. James Kehoe, and Mrs. John Gallagher, and one brother, Thomas F. Ryan.

The funeral will take place today (Saturday) at 11 o'clock in Petauma where a solemn high mass will be celebrated for the repose of her soul.

Mr. and Mrs. B. H. Chambers of Boyes Springs have had a visit from the pioneer father of Mr. Chambers, who was one time interpreter for General Vallejo and lived near the present Snyder ranch. The pioneer now lives in Berkeley.

EL VERANO NEWS

By ARCHIBALD McKIVER

Mrs. G. Huff and daughter have been visiting friends in San Francisco.

Mr. and Mrs. M. F. Mullen were visitors in the City of Roses Sunday.

Mr. and Mrs. J. A. Andrews were over Sunday pleasure visitors in San Francisco.

The Baines property on Nob Hill is being painted and other improvements will be made.

Mrs. A. Swensson was in San Francisco the first of the week shopping and visiting.

August Marcy, Sonoma's pioneer plumber, was a business visitor Monday in El Verano.

Billy Caulfield, Petaluma capitalist, and stock man, was in town last week transacting business.

Mrs. J. Brown of San Francisco is spending several days here with her mother, Mrs. McDevitt.

Mr. and Mrs. Fred Jensen of San Francisco visited at their El Verano summer home over Sunday.

Mrs. Fred Venton of Oakland, after a pleasant visit with relatives here, returned to her home last Saturday.

The Kennedy sisters, two charming young ladies of San Francisco, are vacationing at the El Verano Villa.

Mr. and Mrs. Claude Lombard of San Francisco motored up to the Lombard ranch over the week end.

Miss Elsie Ammann, Western Union Telegraph operator, is the guest of her parents, Mr. and Mrs. John Ammann.

T. H. Baines and wife and Miss Doris were week end visitors at Dillon beach, where they have a summer home.

Billy Real and wife have returned from a several days vacation in San Francisco. Bill is manager of the Tavern Hotel.

Charles Foley, crack violin player and all around musician of the Tavern, is on a sight seeing and business trip to Oakland.

George H. Hoadley and wife, master mechanic, Howard Auto Company was a visitor to Sonoma Valley, visiting at the Bonhoff home.

Mrs. H. D. Burmester was an El Verano visitor in Oakland Tuesday. Mrs. Burmester's mother will leave shortly on a six months' visit to Germany.

Mrs. J. Baker, principal and Miss L. Howard, teacher, of the El Verano grammar school, were present at a Parent-Teachers' Association convention held in Petaluma last Friday.

Mrs. S. Hall is the guest of Miss L. Howard. Mrs. Hall was born in Maine and came around the Horn in 1853, locating in California. She is now 82 years old, spry and hale, and likes Sonoma Valley.

Sonoma Valley base ball fans and critics are warming up to the new valley base ball team recently organized by local athletes. The boys are shaping up well on the diamond in practice games and are anxious to play any other bush team in California.

On Sunday, April 22, they will cross bats with a Napa nine at the Boyes Springs ball park.

Recently Jim Griffin, world famous referee of boxing, and Sheriff Barnett of Alameda county and other friends registered at the Tavern Hotel, Verano. The guests were well pleased with the new hostelry.

Last week at Sonoma Vista Mrs. Mary Sacco and son had a runaway when their horse took fright at an auto. Mother and son were thrown out and the buggy wrecked. Dr. A. M. Thomson attended Mrs. Sacco.

Walter Paulson, Sonoma butcher, and Jim Lawrence, a student under Walter in the secrets of Isaac Walton, hit the local Sunday morning for Napa bridge, where the boys landed the limit. The finny beauties were all large and Walter had some time in bringing one to land. He says his new pupil will make good.

A private car of the chiefs of the S. P. was attached to the Santa Ro- limited last week. A diner and sleeper comprised the extra section, and on top of the de luxe coach was a knight of the road, taking observations from this point of vantage. This Weary Willie seemed quite proud that he was an overhead guest of the wise boys of the S. P. Company.

The Sonoma El Verano iron bridge over Sonoma creek is being overhauled. Autoists and drivers are loud in their complaints that some kind of sign has not been put out to warn them that the bridge is closed. It is one mile from El Verano and drivers are incensed to find that traffic is stopped to Sonoma, Napa and other towns over this main highway.

Perry DeRose, Beau Brummel boxer and social lion, fought Kid Herman at the Presidio last week. The soldier lad started a blow from the ground which, landing on our boxer's eye, sent him down for the count. With a black eye most beautiful to behold, our seeker after pugilistic honors is back in town, but hasn't a word to say about the scrap. The writer has advised DeRose to go to Mexico, be a bull fighting bravo and throw the bull down on the border.

A number of Sonoma Valley boosters for the coming Sonoma Mission Centennial are talking of starting a whiskers contest along the lines of that which brought whiskered gentlemen from all over the world to the celebration at Sacramento last year. Already the coming fiesta is the big talk and Old Sonoma will loom up big from June 30 to July 4th, for everybody in the county is getting back of the project to show the world that Sonoma knows how when it comes to

putting on a celebration of this kind, the count and before many rounds Director Ried, famous as a manager of these celebrations, and a promoter of the Days of 49 at Sacramento, expects to make this show one of the success for which he is noted, and bring hundreds of tourists of Sonoma Valley, famous for its scenery and its mineral springs.

Last Saturday morning a three coach passenger train, enroute to Eureka with lumberjacks from Eastern states, passed through here. One mile out of El Verano, one of the passengers hopped off the rapidly moving train. Their car fare had been paid from the East and after coming this far, he decided to leap for liberty and made good his escape, although witnesses say he hit the track flat and stayed down. A rescuing party out of El Verano failed to locate the deserter.

The Willard and Johnson boxing bout in New York next month, the winner of which will get a crack at the champion, Jack Dempsey, is beginning to work on the local fight fans and they are picking the winner. Willard, who, in the writer's opinion, never could fight and who has been out of the game for many years, will not be able to stand up to the young aspirant, Floyd Johnson, who has been tipping all contenders over for

Richard Mahoney, deputy sheriff of Napa county, has been in town, a guest of his lifelong friend, Paul Vannucchi. On May 6th, the veteran of many wars will desert the ranks of bachelorhood for a charming, winsome young lady, whose name he withholds until a later date. Dick tells the writer she is a wonderful young lady and if she was not the beauty he claims she is, Uncle Sam's fighting hero would not be signing up the contract. Dick is looking well and after his marriage will make his home in Sonoma Valley.

STRENGTH AND SAFETY IN THE BODY OF STEEL

If you could see the main body structure of Dodge Brothers Business Coupe before the enamel is baked on, and before the interior is furnished, you would be profoundly impressed by its strength.

You would see that every panel, every pillar, and every rib is steel—that even the door sills and window mouldings are steel.

You would see that all of these parts and sections are electrically welded together into one staunch steel body, with no bolts or rivets to work loose, nothing to rattle or squeak or warp.

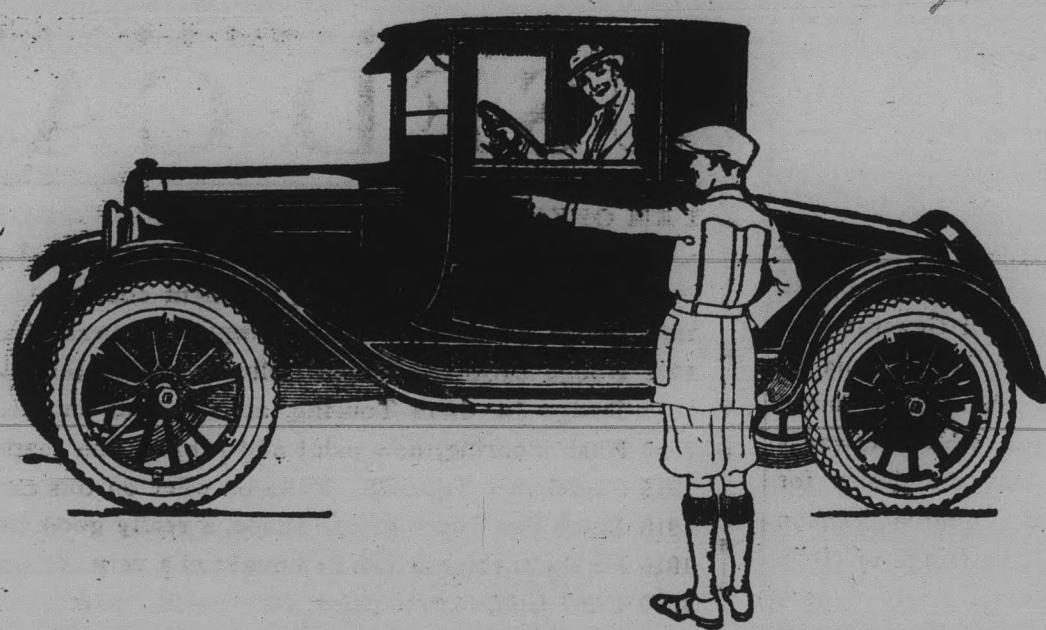

And you would realize that, like the all-steel Pullman coach, this unique construction—originated by Dodge Brothers for this car—represents the last word in protection to passengers—the ultimate achievement in closed car sturdiness.

Firestone

will not increase prices
until May 1st

Firestone Prices on Fabric and Cord Passenger Car Tires and Tubes, also Solid and Pneumatic Truck Tires Will Advance May 1st

The postponement of this price revision is possible only because of our realization of the price danger in the British Crude Rubber Restriction Act which became effective November 1, 1922. We were fortunate in our rubber purchases before the Restriction Act increased the price of crude rubber 150%.

We have always endeavored to champion the cause of better made tires delivered at lowest cost to the tire user by economic manufacturing and distribution. And we are glad of the opportunity to give the car-owner the additional saving at this time.

Firestone Cords embody certain special processes which result in their producing

mileage records, heretofore unheard-of in the industry. Among the more important of these superior methods are blending, tempering, air-bag cure and double gum-dipping.

Firestone Dealers are co-operating with us in our movement to supply your needs at present prices as long as their stock lasts and we have advised our dealers that we will supply them with additional tires this month only so far as our output will permit.

See the nearest Firestone Dealer. Purchase a set of these Gum-Dipped Cords. Prove for yourself their remarkable mileage advantages and easy riding qualities.

BOYES FIRE ENGINE IN PETALUMA

W. B. Cause, chief of the Boyes Springs fire department and an enthusiastic fire fighter, motored to this city on Wednesday afternoon with the famous Valley Angel, the beautiful big triple tank chemical fire engine, which is just from the San Francisco shops where it was repainted and all the metal work was nickel plated so the Angel looks better than when it was made, three years ago.

Chief Cause and the engine serenaded the Argus. P. C. Meinhardt, leader of the Sonoma Valley band, being the bugler. He also paid his respects to Fire Chief Adams, the city hall fire station and members of the board of fire commissioners.

The Chief and his outfit had visited Santa Rosa and Sebastopol to boost for the great May Day carnival at Boyes, beginning on April 28th and lasting four days, by which it is hoped to wipe out the debt still owing on the engine. Petaluma promised co-operation. There is a big contest on for the Queen with several candidates and a new Ford touring car is to be given away during the carnival for which great preparations are being made.

The Chief stated that the Little Red Devil, the other engine of the Boyes department, is now going into the paint shop.

Chief Cause was accompanied by Messrs Schmidt, Meinhardt and Perkins and they went home via the mountain road and Lakeville.

The pretty engine was much admired as it stood in front of the Argus office.—Petaluma Argus.

EDITOR MOBLEY WILL BE POST MASTER

Walter H. Nagle has withdrawn from the race for appointment as postmaster of Santa Rosa.

Nagle wired Postmaster General New that owing to increasing business which is occupying his entire time, he will be unable to accept the appointment. Word to this effect was received from Washington. This leaves J. E. Mobley as the sole candidate whose name has been sent to President Harding and it is presumed that Mobley's appointment will be received from Washington without much further delay.

It was only this week that the names of the two candidates were sent to Harding by New. The postmaster general made no recommendation so the appointment was left entirely to Harding's discretion.

FIRST GRAPE PRICES BEAT LAST YEAR'S

L. K. Marshall, Lodi shipper and grower, has received an order from an eastern distributor for 25 cars of Zinfandel grapes at \$65 per ton. This is the first real bona fide offer of the 1923 season he says, and may be considered indicative of prices to be paid for the coming crop.

Last year's first quotations ranged from \$40 to \$60 per ton, according to variety, and increased to as high as \$140 per ton where cars could be had. Recurrence of conditions creating the car shortage of 1922 seem utterly impossible, and with the practical disappearance of unemployment throughout eastern industrial centers and the ability of the workingman to buy freely of all commodities, the coming grape crop may yield the highest return in the history of California.

THREE YEAR OLD CHILD IS OPERATED UPON

The three year old daughter of Mr. and Mrs. Fred Mazuie (Antoinette Froment) of San Francisco, underwent an operation for appendicitis at the French Hospital in that city last week. The little sufferer had to be taken from her home at night and submit to the operation. At latest reports the patient was doing nicely.

Mr. and Mrs. Froment went to the city and brought home with them the 18 months' old baby girl of the Mazuies and will care for her until the other little one has recovered.

MISS MONOTTI A PLAYWRIGHT

Miss Alfreda Monotti, talented daughter of A. Monotti, the Sonoma grocer, is becoming known as a young playwright. Here is what the press says of her efforts:

Alfreda Monotti, Alameda girl, has

completed a play, "Mr. Ricord's Antique," which will be given its premiere by her fellow students at the Alameda high school in the new future. Two other playlets, one by A. A. Milne and one by Christopher Morley, are also in preparation. All three will be presented by the drama class under Miss Mary Crawford.

more gasoline mileage with Zerolene

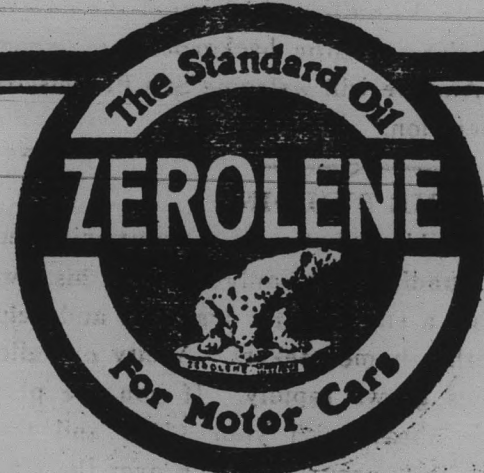

Few motorists would willingly pay fancy prices for oil if they knew what we know about Zerolene, which sells for about half the price of many other oils.

Zerolene, made from selected Naphthenic-Basid Crude and vacuum-distilled by our exclusive process, stands up better and gives better, continuous lubrication than any oil we have seen and tested or been able to produce.

One of the best proofs of this is, that a car lubricated with Zerolene averages 5% better in gasoline mileage than a car lubricated with other oils, as shown by repeated laboratory tests. Even more important, Zerolene will run a car from 25% to 50% farther before carbon-removing operations are required.

Insist on Zerolene—even if it does cost less. Consult our Correct Lubrication Chart to determine the correct oil for your car.

THE EXAMINER SAID IT

Catching the spirit of these days when Northern California communities are uniting and co-operating on community activities for mutual benefit, the San Francisco Examiner commends the interest being displayed by the Chamber of Commerce of that city in the Fresno Raisin Day. The celebration of such days by communities contributing to the wealth and fame of our Golden State are often thought to be of purely local interest. The Examiner says of the Fresno fiesta: "It should not be so. The recurrent celebration at Fresno is something that is of interest to every section and city in the State. It is particularly we of the cities who should take advantage of such a celebration to get away from business and go in for relaxation at the raisin capital. That's what the San Francisco Chamber of Commerce is proposing to do this year. It will get together a delegation of at least 125 to travel to Fresno in a special train to spend the entire day there. Such activities as this are of precisely that neighborly quality which should more and more become a factor in the relationship between the big urban centers and the great valleys whose agricultural and allied industries are the foundation upon which the prosperity of our cities is built. By participating in the feast days of the valleys, we establish that closeness of contact which is born better of social relationships than of purely business ones."

Sonoma Valley is soon to celebrate a centennial of interest to all Californians, the founding of the last Mission in the chain of Missions built by the padres from San Diego to Sonoma. Our people will welcome the San Francisco Chamber of Commerce to this historic and hallowed spot where Father Altamira planted the cross in 1823. We will show the visitors to our centennial the charms of the valley which lured the padres here and gave us the romantic background of which we are so proud. And we will welcome San Francisco's interest and co-operation.

HOME BUILDING

The man who builds a home in a community and improves his surroundings not only benefits his own family but is setting a standard for his town and helping it to attract other home seekers. A city or valley of attractive homes grows rapidly. If you are planning to build, go ahead with your plans and thus further Sonoma Valley's progress. Talk over the plans of the house you want to build with your contractor. Do not spoil the comfort and appearance of your home to save a few dollars. Finance it if necessary, with the advice and assistance of your bank, but build—build now, and build well. Thus will Sonoma grow.

Refreshing the minds of the present generation with the history of the pony express and contrasting it with the present fast service of railroads, telegraph and aviation awakens us all to the realization of the hardihood and fortitude of the pioneers. The pony express rider is worthy of a monument anywhere. He was the real forerunner of present progress and efficiency.

When the dancing fools finish their marathons, we presume they say: "The jig's up"—that is, if they can still talk.

When it comes to staging a comeback, King Tut is the real hieroglyphic.

SOUTHERN PACIFIC "PADRE" SHOULD AWAKEN INTEREST

Seeing that the Southern Pacific Railroad has thought enough of California traditions and history to name one of its new de luxe trains "The Padre," we take pleasure in reminding the company that Sonoma was founded by a padre and that here is situated the last California Mission, established by Padre Altamira in 1823. The Southern Pacific might interest considerable tourist traffic in this most northerly and most charming old Mission if Southern Pacific railroad maps and guide books would carry the name Sonoma Valley and indicate that this Mission is located just a little over a mile from the Southern Pacific El Verano station. We offer this as a suggestion to the Company, for we believe they are anxious to unfold all the charm and interest of California to the traveling public. Here is an opportunity, and travelers awakened to the romantic side of California's history, through their acquaintance with "The Padre" will want to know all the land that the Mission fathers traversed and blessed during the Spanish regime, whether the train de luxe carries them there or not. We feel sure that the Southern Pacific can be interested in Sonoma's interesting landmark and will co-operate with us in bringing many people here to witness our Mission play this summer.

STRIPPING A GIER

The conspiracy charge against Theodore Gier and other well known members of his wine concern has been dropped and now Gier is to pay the penalty of ordinary violation of the Volstead Act with the possibility of having his wine seized and destroyed. Seize it, yes, if the crime merits confiscation, but to destroy it would be an economic and moral crime in the face of importation of so-called legal wine from Europe which sells in the United States of America for a high price for sacramental and medicinal purposes. As long as the government recognizes any wine to be of value and not contraband it is wrong to destroy good, pure vintage to inflict punishment. If wine, per se, is wrong there should be no legal wine, imported or domestic. It should all be destroyed.

Women Vigilantes, probably taking their organization's name from the familiar saying: "Eternal vigilance is the price of safety," have cut a decided swath in San Francisco of late, but "safety first" implies more than the ability to divine things by intuition or materialize evidence by "hunches." This patent fact must have come home to the Vigilantes when their leader sought to get the Grand Jury to indict San Francisco's District Attorney. It is all right to stop, look and listen and to criticize conditions, but when accusations and criticisms are directed at officials you have to have the goods on them before you can ring the bell. When women leaders start something which they cannot finish, they bring all women into political disrepute and lessen the chances of level-headed, less hysterical women being heard. In the future, we trust women will be sure of their ground and be able to get away with their vigilante activities. Incidents like the Brady case only make them ridiculous.

The Traffic Men's banquet has caused a stir in prohibition circles and yet everybody knows the liquor traffic is a traffic and a travesty.

HIGHWAY COMMISSIONER TOY HERE SATURDAY
San Francisco over the Black Point cut-off to Boyes Springs last Saturday. Mr. Toy was driving his own car, a \$6000 beauty, and commented on the fact that all the present Board

of Highway Commissioners were now driving their own and not state cars both when on business and pleasure.

The Highway Commissioner seemed well satisfied with the road between here and Sausalito and stated that aside from proper maintenance nothing further would be done on the Black Point cut-off this year. The Schellville-Santa Rosa road will be graded, bridges completed and the right of way fenced.

Mr. Toy states that the gasoline tax will supply the maintenance fund under which paving will later be taken care of.

The coming of the chairman of the Highway Commission to Sonoma Valley is always welcomed by our people not only because he becomes acquainted with the condition of our roads and realize their needs, but also because Mr. Toy has many friends here. The Toy family were accustomed to spend their summer outings at Caliente Springs years ago and even before that time George Toy, father of the present Highway Commissioner, was a visitor at the home of General Vallejo, where he was always a welcome guest.

CHANGE IN MASS HOURS

Beginning tomorrow, Sunday, April 22nd, the hours of mass in St. Francis parish will be as follows:
Sonoma at 9 o'clock.
Boyes Springs at 11 o'clock.

FREEMONT MONUMENT UNVEILED AT SUTTER

Spot Where "Pathfinder" Camped In South Butte Pass, Close to Sutter, Is Marked.

The women's clubs of Sutter and Yuba counties last Sunday unveiled a monument which they erected to the memory of General Fremont. The monument is erected on the spot where Fremont, in 1846, camped for eight days while on his way to Sonoma, which was in the throes of the Bear Flag revolution. Castro, the Mexican leader, had threatened to exterminate all Americans, so it was said, and Fremont started for Sonoma to meet the warring forces having been warned by Kit Carson and other intrepid spirits of the plan of Mexico to retain California.

In the center of the monument, a marker bears this inscription:

"In commemoration of Major General John C. Fremont, United States Army, and his expedition.

"Encamped in the Sutter Buttes in this vicinity May 30, 1846, to June 8, 1846, while on the march from Klamath Lake to Sonoma, where he represented the United States government during the Bear Flag uprising which resulted in the acquisition of California from Mexico.

"Erected by the Bi-County Women's Clubs, Sutter and Yuba Counties, 1923."

Fred H. Greely, of Marysville, past president of the Native Sons of the Golden West, delivered the address and traced the career of General Fremont from his birth in Virginia in 1813, to the days when he acquired from Senator Benton, who afterwards was his father-in-law, the desire for exploration. Greely quoted Benson as predicting "that the fringe of civilization on the eastern coast of America was to stretch from sea to sea."

General Fremont's three expeditions were described, the first to the Rocky Mountains and south of the Lewis and Clark line, the second beyond the Rockies, and the third to California, supported by 82 of the finest marksmen in America, and with instructions from the government to hold the country against the Mexicans. When ordered by the Mexican governor, Castro, to leave the state, Fremont first defied him and then, in the way of acquiescing, moved north by way of the Kern River to Yuba City, thence to Klamath Lake. It was while returning south that he camped on the north side of the Sutter Buttes remaining there only a few days and then moving to the spot where the monument was placed, on account of the heavy wind. Behind South Butte he found shelter from the wind and camped there eight days.

FINE PRIZES AT

MASK BALL TONIGHT

Tonight at Union Hall is the Farm Center masquerade ball of all nations and costumes of every kind will be in evidence, including some which may set the style for the Mission celebration fiesta. The celebration committee is giving a cash prize of \$10 for the best padre, Indian, Spanish, Mexican or pioneer costume. The Farm Center is offering four prizes of \$2.50 for the best costume and the best sustained character, and the Corner Drug Store has donated a smoking set as an additional prize. Good music, refreshments and a general good time is promised by the committee.

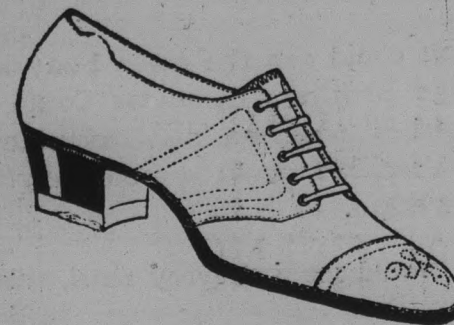

ATTORNEY BOB POPPE IS A GRAND DAD

Attorney R. A. Poppe is a proud grand dad, his daughter, Mrs. Ray Grinstead (Emily Poppe) having given birth to a fine boy last Sunday in Sacramento. The baby will be called Robert Russel Grinstead, after both grand fathers.

Mrs. Grinstead is a talented musician and university graduate and her husband is prominent in official circles of the Capital city.

Twins have been born to Mr. and Mrs. Alexander Hagan, formerly of El Verano. Mrs. Hagan was formerly Mrs. Flora Krause of the Flora Villa.

GOVERNOR SIGNS BILL
PROTECTING CHILDREN

Community Property May Now be
Valid by Wife; Law Will Become
Effective in July.

Governor Friend W. Richardson signed the community property bill on Tuesday afternoon at 3:30 o'clock, following a hearing granted proponents and opponents of the measure, which was passed by both branches of the legislature several days ago. During the conference Governor Richardson said:

"Since the legislators who were elected by the people saw fit to pass this bill, I am only doing my duty as governor to sign it."

The bill will establish equality between husband and wife in so far as concerns the disposing of community property by will. It deals only with community property, not the separate property either of husband or wife. Neither does it deal with the management of the community property during the lifetime, but only with the testamentary disposition of such property on the death of husband or wife.

Prior to the passage of this bill all community property at the death of the wife went to the husband. She could not will her share to her own children and in the event of remarriage of the husband the children by the first wife might lose everything.

The wedding of a charming young grass widow of Sonoma Valley to a prominent business man of Southern California is to be an event of the near future, so Dame Rumor says.

IN HONOR OF MRS. SHAW

Valley of the Moon Chapter, Order of Eastern Star, complimented its pioneer charter member, Mrs. Mary Shaw Thursday evening in honor of her 86th birthday. A handsome cut glass vase and bouquet of roses was presented the guest of honor, with appropriate remarks by Prof. L. H. Golton.

The banquet room tables, decorated with beautiful spring flowers and a large birthday cake, presented a festive appearance and Mrs. Shaw surrounded by the lodge members and members of her family, was the center of much attention. Her son, Harry Shaw, drove 600 miles to be here for the happy event.

Mrs. Shaw is in excellent health and her mind is as bright and as active as it was many years ago. She has always been a loyal member of the Eastern Star.

Mr. and Mrs. Al Groskopf (Louise Batto) celebrated their second wedding anniversary last Thursday evening with a jolly social time to which a number of friends were invited.

Miss Mildred Burchard was program director at the Woman's Club yesterday, presenting Miss Martha Chickering of Berkeley who spoke on Americanization. Song numbers were rendered by Mrs. Ralph Hotz.

Social, Club and Lodge Notes

MRS. JACK LONDON
IS NOW IN PARIS

Word comes from Charmian London that she has arrived in Paris and is enjoying a visit with Anna Strunsky Walling, who collaborated with the late Jack London in the writing of the Kempton-Wace Letters.

Mrs. London is enjoying the best of health and sends greetings to California friends.

Mr. and Mrs. A. Crivelli are the parents of a new baby, a pretty 7 1/2 pound daughter. Dr. Hays was in attendance.

Mrs. Carl Weisshaar of San Francisco came up Tuesday for a visit with her friends, Mr. and Mrs. Joseph of Sonoma Vista.

Captain Pasmore of the dredger, Nevada, returned to McGill's Tuesday after a trip to the bay cities.

Miss Verna Quartaroli returned to San Francisco Monday after a visit with her folks here.

Mrs. Walter Paulson was a visitor in San Francisco over the week end.

SONOMA'S NEW BAND
WINS MUCH PRAISE

The public was given an opportunity to hear Sonoma's new band last Saturday night at the benefit dance for the band boys and Mr. Meinhardt, the leader, and his musicians, won much praise. Although they recently organized, the band played several numbers and the applause of those present was well merited.

Refreshments served by Mr. and Mrs. Meinhardt, assisted by Mrs. P. Angove added to the net receipt of the dance and will enable the purchase of music and other necessary equipment.

Everyone who attended the band boys' dance had a good time and predicted great success for the organization.

Mr. and Mrs. Eugene Oppinger of Napa were visitors here last Saturday, Mr. Oppinger coming over to play at the Sonoma Park Band home fit dance.

Ford

THE UNIVERSAL CAR
ANNOUNCEMENT

.. Of Interest To ..
MILLIONS OF FAMILIES

"I will build a car for the multitude", said Henry Ford in 1903. Read how the fulfillment of that prophesy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy owning a motor car. During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open. Under the terms of this plan you can select your Ford car, set aside a small

amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little.

Why not start today? Stop in and talk it over with your local Ford dealer. He will be glad to explain the details of the plan and help you to get started toward the ownership of a Ford car.

NEW PLOW EXPEDITES WORK IN VINEYARDS

A plow that will swing close to the vines, cutting even between them in the rows, turning all the soil between two rows at one operation, has been devised by A. H. Tucker, manager of the great 960 Tokay farm of the California Vineyard Company, southeast of Sacramento. The plow is followed by a spike tooth harrow, so that the ground is worked down, as well as turned over, when the machine is passing through.

This plow, consisting of six bottoms, three on each side, will cover from 15 to 20 acres in a day, and six of them are in operation on the ranch. They are tractor drawn.

The three plows on each side are attached to a single beam, which is controlled by a wheel and cable, operated by a man sitting above the wheels. As a vine is passed, the plows are pulled in so it will not be touched and then swung out again so as to cut the soil in the rows between the vines. With one man on each side, the space between the rows is all turned over at one operation. The harrow, dragged behind, finishes the job. The plows are interchangeable

so that after turned the soil from the center at one operation, it is turned from the vines at the next. This avoids ditches and ridges. At maximum capacity, when the ground is in good shape, the entire ranch is covered in eight days.

The vineyard is the biggest Tokay planting in the state, and one of the biggest of any variety in California.

OVER \$1,000,000 TO

PRUNE MEN

The California Prune and Apricot Growers' Association recently completed the second April payment on the 1922 crop of prunes according to a recent issue of the Sun Sweet Flash, house organ for the association.

This second payment, which was authorized some time ago by the board of directors, covers same 4000 separate prune accounts and amounts to about \$1,500,000.

SONOMA MISSION HIS- TORY IN AUTO SECTION

On Sunday, May 6th, the automobile section of the Oakland Tribune will devote a page or more to the history of the Sonoma Mission and early days in this vicinity. The story will be accompanied by a map and illustrations and will stress the centennial celebration and Mission Play in honor of that event.

Anyone desiring extra copies of the Oakland Tribune should leave orders with the local agent, A. Clerici.

REMEMBER FIRE DEPT. WHILE GOING TO EUROPE

Mr. and Mrs. A. Mosso, who left here some time ago for a tour of Europe and have been registered at the Hotel Pennsylvania, New York City, prior to sailing, mailed a \$20 check to Chief Cause last week for the Boyes Springs and Valley Fire Department. The check was accompanied by a nice letter to the Chief.

Mr. and Mrs. Mosso are public-spirited property owners of Sonoma Valley and are always aiding worthy projects. Their thoughtful gift before sailing is appreciated by the department and everyone interested in it.

DESIGNER OF IDEAL COUNTRY HOME HERE

Albert Farr, architect, a resident of Piedmont, with offices in San Francisco, was in Sonoma Valley last Sunday consulting with Mr. and Mrs. Walter Bundschu whose beautiful new home he designed. Architect Farr is rightfully proud of this house which is built of native stone quarried out of the Sonoma hills and is an ideal country home. The architect has made the most of the natural vista, for the house on every side commands a beautiful view of the valley, and its interior arrangement is ideal for a country home, with commodious provision for guest rooms on the second floor. The architecture is a combination of Italian Spanish and English style, the court and tiled roof reflecting the Spanish influence. The exterior of the house is a combination of the natural finish limestone and shingles. A natural park of fine old trees surrounds it.

Mr. and Mrs. Bundschu's new home is about ready for occupancy and they are now furnishing it.

Architect Farr is no stranger here, having designed the Stofen home on Broadway and also the Country Club house of the Santa Rosa Golf Club. At the present time he is working on plans for Thomas Maclay of Petaluma.

HIGH SCHOOL NOTES

The general science class looks forward with interest to the study of rocks and soils.

Those of us who walk to school think we are lucky these fine spring mornings. Too far is not far enough if you start early.

Several of the mechanical drawing class have finished their course, and are sighing for more courses to conquer.

The Latin Students are finding that Latin is a great help to an understanding of the English words and their full significance.

Is it proper in polite society to decline a noun?

The pupils of the U. S. History Class experienced a great disappointment when in studying the Mexican war they found no mention was made of their own historic town.

On the written word of a freshman, the horticulture class is studying "fertilizer"—is that what makes the pussy willow furry?

The longest musical memory in the musical theory class is to get a Victor Opera book.

The Sewing Class find working button holes and darning, more difficult than making dresses. The mental attitude makes a difference.

Springtime is rose time—the High School is one continuous rose festival.

Professor Laube of the University of Washington, making a lecture tour through California, expressed himself very enthusiastically in regard to the Valley of the Moon.

Walter Steurmer is bringing his student group to school in a new Reo bus.

Misses Rolfe and Hoag entertained over last week end at Miss Rolfe's residence, Dr. Lillian Moore, instructor in physiology at Berkeley, and several other former college friends from Berkeley, Oakland and San Rafael. The party enjoyed not only the culinary maneuvers of their hosts and the wonderful talk-fest, but their drives through this beautiful valley and the historic points of our mission town. Miss Rolfe's mother, a guest of her daughter for the last three weeks, was an interested member of the party.

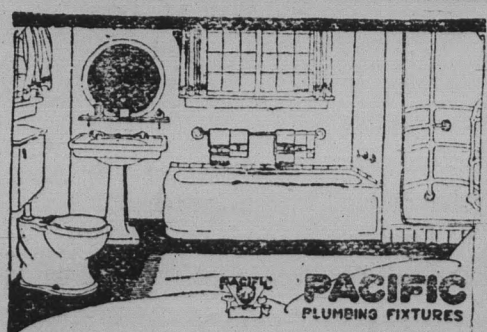

Healdsburg and Sonoma amicably shared the honors on Saturday last. Sonoma took the victory in tennis, but gracefully yielded it in baseball (score 9-4) to Healdsburg. In tennis, singles, Anthenian won by scores of 7-5 6-3. In doubles, Anthenian and Rouque made the following scores; 4-6, 6-3, 6-2.

The Oral English class is now busy with sentence structure and the development of a larger vocabulary with Addison's Sir Roger de Coverly as a text. The students enjoy the sly humor of Old Sir Roger. They enjoy no less the unconscious humor of their instructor, when he tells them in explaining the use of a book of sermons, that there were 365 sermons, one for each Sunday in the year.

BUY A HOME

A few hundred dollars down and \$20 per month will buy a comfortable home with garage in Sonoma. For further particulars inquire at this office.—adv.

BUTTERMILK FOR CHICKENS
We are in receipt of regular shipments from San Francisco of buttermilk for chickens. Nothing better for the flock. 4c per gallon at Sonoma Mission Creamery.—adv.

We recommend PACIFIC Plumbing Fixtures because they have never been excelled in quality by any brand in the entire world, and cost no more than inferior brands.

BIG ADVERTISING BY PAINT COMPANY

Local representatives of the W. P. Fuller & Company received word that the concern is now undertaking a comprehensive advertising and sales campaign for the purpose of better acquainting the public with Fuller's paints and allied products.

The advertising will run in 355 newspapers and farm journals and will be addressed to the home owner and other persons who can profit by the use of paint as a beautifier and a preserver of property.

In addition to newspaper advertising, a billboard campaign has been decided on. This campaign will afford two months' showing on billboards in 467 cities and towns with a combined population of 4,400,000 inhabitants.

Special window displays have been arranged in order that purchasers of paint may know more easily where paint for their homes can be purchased. A supply of display material for windows will be received by local merchants shortly, according to information received recently.

Through a service department, the Fuller Company will continue its educational work on problems regarding paint and its application.

As a further aid to dealers, personal co-operation will be given and letters will be written telling of the value of the use of paint.

TO CELEBRATE JUBILEE

In olden times the people welcomed the year of Jubilee with great rejoicing and thanksgiving.

The Ladies of the Congregational church will celebrate the Fiftieth anniversary of the founding of the Women's Board of Missions on the Pacific Coast. The members of the local society of friends are asked to meet with Mrs. F. W. Dobbel, April 24th (Tuesday) at 2:30 P. M., at her home on Napa St. There will be special speakers present, a musical program and at the close of the meeting there will be refreshments served. Don't forget the date nor cheat yourself out of a good time.

LILBURN BOGGS DIES AFTER SHORT ILLNESS

Lilburn W. Boggs of Susanville, a son of the late William Boggs of Napa, passed away last Saturday after a short illness.

A widow and a large family of children survive.

Deceased was born in the old town of Sonoma on Sept. 28, 1848.

He was a resident of Napa for a number of years and had many friends in this city.—Napa Register.

MRS. SHEPARD ORGANIZES NEW UNITS OF LEGION

Mrs. Eliza Shepard, of Glen Ellen, state president of the Women's Auxiliary of the American Legion, has just returned from Tulare county, where she attended a joint meeting of 20 new units of the organization. The meeting was held in Visalia and evinced the great interest of that section of California in the Auxiliary. Mrs. Shepard organized the new posts and also held meetings in Fresno county. Madera, Woodland and Sacramento were other cities visited by this energetic president who has not only organized 200 units in California but has brought the membership up to the 6000 mark.

NAPA ASYLUM'S RE-PORT TON "GUESTS"

Twenty inmates were received from the Industrial Farm for Women on March 14 and 15 and carried on our books as guests in the hospital. They were distributed singly or in small groups chiefly throughout the main building, in order to prevent collusion and possible mischief. Their smoking privileges are not in force on the wards because of the danger of fire, but we offer no objection to their smoking while in the yards. Three of these women have been returned to the Farm. A few days ago two of them attempted to escape but were intercepted a short distance away and brought back.

Coming and Going.
"Wealth don't allus bring happiness," said Uncle Eben. "Bout all some men gits out'n deir riches is bein' hit foh mo' alimony."—Washington Star.

PROMINENT PUBLICITY MAN IS ENGAGED HERE

John O'Connor of San Francisco, prominent publicity man who is at the present time handling the publicity of the Passion Play to be held at the San Francisco auditorium will spread the fame of Sonoma's Mission Play and four day celebration June 28 to July 4. Director Reid and Rev. J. F. Byrne have been conferring with him this week.

VINEBURG NEWS

Mr. and Mrs. Al Finck of Oakland were week end guests of Mr. and Mrs. Louis Martin. Mr. Finck is a prominent man in Oakland business circles. August Figone of San Francisco is the guest this week of Mr. and Mrs. John Batto.

A pleasant birthday party was tendered to Mr. Frank Groskopf at his home on the Napa road last Sunday evening. His friends wished him many pleasant returns of the day and a dainty repast was enjoyed by all. Plates were laid for twenty guests.

Mr. and Mrs. Gus Rouquie motored to Santa Rosa on Monday last on legal business.

Mr. and Mrs. Fred Batto, accompanied by Mr. and Mrs. Albert Groskopf, Misses Adele Andrieux, Margaret McDevitt, Emily Batto and Herbert John Batto, motored to Marysville and other places in that vicinity over the week end and report a fine trip. During his trip, Mr. Batto looked over the real estate situation in that section.

Chas. Richards our local painter has just completed painting a handsome sign for the Stewart Fruit Co. to decorate their new packing house at this place.

Mr. Asa Kimbrough, a former resident of Vineburg, now a resident of Lathrop, was exchanging greetings with friends here on Tuesday last.

Mr. and Mrs. John Mallon (nee Elizabeth Kellem) the Hyde Tract newly-weds did not expect company on last Saturday evening and went out to visit friends, but on their return to their cozy home, they found company, good and plenty, for their many friends had engaged a fine orchestra and cow bell jazz band to welcome them home and many choice musical selections were rendered. The following artists, all headliners in their business were present: Messrs Frank Allen, Hardy Roder, Chas. Gellett, John Roeder, Henry Belasco, David Petrovich, Willie Preston, Geo. Burns, Jim Small, Mesdames Allen, Roeder, Gillett, John Roeder, Belasco, Leona Batto, Misses Ruth Allen, Alice Allen, Susie Roeder, Edna Roeder and Masters Kenneth and John Roeder. After a pleasant evening and fine repast, all departed, wishing the happy couple a prosperous voyage on "Matrimony's Sea."

IN THE SUPERIOR COURT STATE OF CALIFORNIA In And For The County of Sonoma DOROTHY HOLLYDAY, Plaintiff.

vs.

THOMAS R. HOLLYDAY, Defendant. Action was taken in the Superior Court of the State of California, in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma.

W. F. Cowan, Attorney for Plaintiff. The People of the State of California Send Greeting to Thomas R. Hollyday, Defendant.

You are hereby directed to appear, and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after the service on you of this Summons—if served within this County; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or plaintiff will apply to the Court for any other relief demanded in this complaint.

Given under my hand and the seal of the said Superior Court this 23rd day of January, 1923.

(SEAL) W. W. FELT, JR., County Clerk.

By Chas. T. Byington, Deputy Clerk. First publication April 14, 1923
